## Evergreen Heritage Center Hosts a Murder Mystery!

Renovations to the Evergreen Barn are now complete! The upper floor of the Barn is ready for visitors to see the results of the repair and restoration work that has been in progress over the past year. This work, performed by Hillegas Construction and the EHC team including Matt Diehl, was funded by the Appalachian Regional Commission, the Community Trust Foundation, the France-Merrick Foundation, Preservation Maryland, the Rural Maryland Council, and the EHC Foundation. A photo of the upper floor of the newly restored barn is shown below.
