

Medications: EHC Staff cannot administer any prescription or non-prescription medications. Participants may not bring any medications with them with the exception of epi-pens and inhalers. If participants require medications during the day, please call to discuss how we can best meet your child's needs.

Sunscreen and Bug Spray: EHC Staff does not provide sunscreen or bug spray and cannot help participants apply sunscreen or bug spray. Please apply sunscreen and/or bug spray to your child prior to arriving at EHC Camp. If you choose to send these items to camp for reapplication, please **LABEL** the bottle with your child's name and make sure that they are capable of applying it themselves. Mosquitos are not typically a problem at the EHC, however, ticks are becoming more common throughout Allegany County and we suggest you check your child for ticks daily.

Attire: Participants should dress for outdoor play each day. We recommend a hat for sun protection, t-shirts, shorts, and tennis shoes that can get dirty. **Please, no flip-flops or loose shoes.**

Other: A small snack will be provided to campers daily, such as a granola bar or fruit. Please note any dietary requirements on the **Emergency & Medical Information Section** of your registration form. Water will always be available, but please have campers **BRING A WATER BOTTLE** each day if possible.
